Changes in Control

As of December 31, 2014, the Company is 66.95% owned by Vantage Equities, Inc. (the Parent Company), a company also incorporated in the Philippines.

On July 7, 2015, the Parent Company entered into a Sale and Purchase Agreement (SPA) with Alfonso Yap Go and his nominees, Nathaniel C. Go, and Socorro P. Lim (the buyers) for the sale of the entire shares owned by the Parent Company. Under the SPA, the closing of the transfer of the Sale Shares is subject to and conditioned upon the conduct and completion of a mandatory

tender offer as well as the payment of the purchase price, which conditions have been complied with on October 15, 2015.

On February 17, 2017, the Company and JDVC's shareholders entered into a Deed of Exchange of Shares where in the latter had issued 247,396,071,520 shares (par value of P0.01 per share) in exchange for 4,133,740 shares (par value of P100 per share) at an exchange price of P598.48 of the latter. The deed covering the transaction was approved by SEC on October 9, 2017. As a result of this transaction, the Company now owns 82.67% of JDVC.

Item 12. Certain Relationships and Related Transactions

The following are the transactions presented in the Notes to Audited Financial as Related Party Transactions:

12.1 Accrued interest on advances to a stockholder during the year amounted to PHP2.2 million.

PART IV – CORPORATE GOVERNANCE

The Company remains focused on insuring the adoption of systems and practices of good corporate governance in enhancing value for its shareholders.

In compliance with the initiative of the Securities and Exchange Commission ("SEC"), the Company submitted its Corporate Governance Manual ("the Manual") to the SEC. Even prior to the submission of its Manual, however, the company already created various Board level committees. These committees were comprised of an Executive Committee, a Nomination Committee for the selection and evaluation of qualifications of directors and officers, a Compensation and Remuneration Committee to look into an appropriate remuneration system, and an Audit Committee to review financial and accounting matters. A Compliance Officer was also appointed on that date.

The Board establishes the major goals, policies, and objectives of the Company, as well as the means to monitor and evaluate the performance of Management. The Board also ensures that adequate internal control mechanisms are implemented and properly complied in all levels.

The Company is not aware of any non-compliance with its Manual of Corporate Governance, by any of its officers or employees.
