Foreign Ownership Limit

Background/Description of the Disclosure

Apollo Global Capital, Inc. (the "Company") has requested the Exchange for an amendment of the foreign ownership limit applicable to the Company in the Exchange's system from 100% (or no limit) to 40%.

The primary purpose of the Company, as stated in its Articles of Incorporation, is to engage in the business of a holding company. As a holding company, the Company is itself not subject to any nationality or foreign ownership limitation.

However, it is noted that the Company owns 90.47% of JDVC Resources Corporation ("JDVC"). JDVC was established to undertake offshore large scale magnetite mining and other mineral resources in the province of Cagayan. It holds a Mineral Production Sharing Agreement (MPSA) No. 338-2010-II-OMR Amended-A covering 1,897.02 hectares for the conduct of research and mining operations in the area.

The exploration for and exploitation of minerals in the Philippines under mineral and operating agreements with the Government may only be conducted by Philippine nationals.

Under the Foreign Investments Act of 1991, a Philippine national includes: (a) a citizen of the Philippines; (b) a domestic partnership or association wholly owned by citizens of the Philippines; (c) a corporation organized under the laws of the Philippines, at least 60% of whose capital stock outstanding and entitled to vote in all circumstances is owned and held by citizens of the Philippines; or (d) a corporation organized outside the Philippines and registered as doing business in the Philippines under the Corporation Code, 100% of whose capital stock outstanding and entitled to vote in all circumstances is owned by Philippine nationals or a trustee of funds for pension or other employee retirement or separation benefits, where the trustee is a Philippine national and at least 60% of the fund will accrue to the benefit of Philippine nationals.

Considering the foregoing and for the purpose of complying with the foreign ownership limit applicable to JDVC, the foreign ownership in the Company should not exceed 40% of the Company's outstanding capital stock entitled to vote.
